Request for Certificate of Correction

Upon printing of the final letters patent, numerous  
typographical errors occurred. Enclosed please find a copy  
of form PTO/SB/44 (PTO-1050) listing these errors. Due to  
the extent of the typographical errors, the Applicant  
requests that a corrected patent be issued without charge,  
in lieu of a certificate of correction.

Please refer to the WIPO publication of this  
application (WO 00/77576, of PCT/IL00/00347) of which this  
patent is a National Stage. In the WIPO publication the  
correct wording is present in almost all instances,  
supporting our assertion that the error in the final  
letters patent is attributed to the Patent Office.

Respectfully submitted,
